EWEN PARK IMPROVEMENT PLAN

We're planning an exciting future for Ewen Park, Hurlstone Park.

We've prepared the draft Ewen Park Improvement Plan, which proposes a number of upgrades including improved gathering, play, passive and active spaces and the replacement of the Lang Road bridge.

We want to work closely with our community, to hear how you use Ewen Park now and what you think of the draft plan.

You can have your say and provide feedback on the draft Ewen Park Improvement Plan by:

- Lodging a submission at **cb.city/haveyoursay**; and
- Visiting one of our community **pop-up stalls** on;
 - Wednesday 5 December, 4-7pm, at Ewen Park (near the playground);
 - Saturday 8 December, 9-11.30am, at Hurlstone Memorial Reserve, Crinan Street; and
 - Saturday 8 December, 1-4pm, at Ewen Park (near Lang Road bridge).
